

Transforming the Face of Accessible Technology

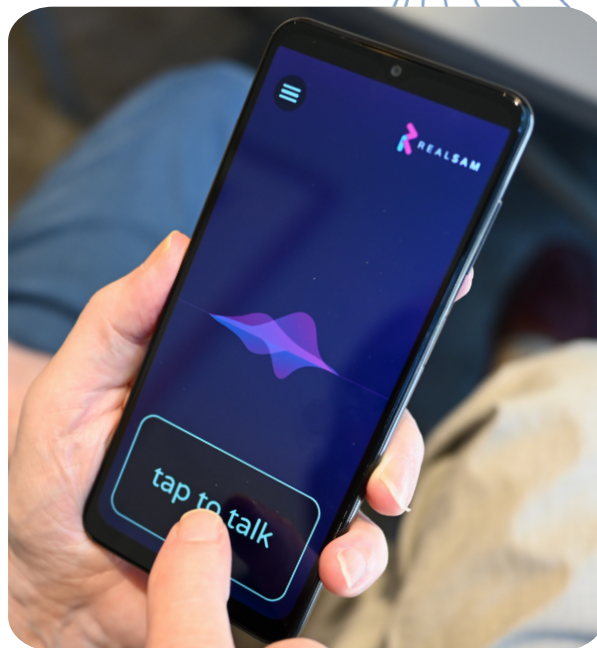

Welcome to RealSAM:

A Revolutionary Accessible Technology Tailored for Blind and Low Vision Needs

Losing your sight doesn't have to mean losing your life

RealSAM is a breakthrough in accessible technology; simple, intuitive, and voice operated, RealSAM is your reliable everyday assistant.

Stay confident in your independence with RealSAM. All of our devices understand natural language, so no matter what your needs are, RealSAM can meet them with ease.

Who We Help

RealSAM devices are designed for anyone who may find it easier to operate technology by voice. Our customers include people experiencing:

- ✓ **Sight Loss** – Age-related Macular Degeneration, Diabetic Retinopathy, Glaucoma, Cataracts
- ✓ **Physical Barriers** – Multiple Sclerosis, Parkinson's, Arthritis
- ✓ **Cognitive Impairments** – Dementia, Traumatic Brain Injury
- ✓ **Learning Disabilities** – Print Disability, Dyslexia

What Makes a RealSAM Phone the Perfect Assistant?

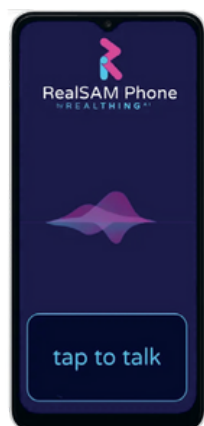

- **Sight Assistant:** The powerful tool that reads text and describes images—helping you with everyday tasks, like reading labels or identifying objects.
- **Stay Connected:** Make calls, send messages, and stay in touch with loved ones with just your voice. No more struggling to find the right buttons.
- **Podcasts & Audiobooks:** Discover thousands of accessible podcasts and audiobooks, all available by voice command, so you can enjoy stories, news, and music effortlessly.
- **Reminders:** Set voice-activated reminders to help you stay on top of your day—from medication schedules to appointments, RealSAM helps you keep track.
- **GPS spoken Navigation:** With GPS features, know where you are and find your way around with ease.

Vision loss can present challenges in daily life, from staying connected to pursuing hobbies and maintaining independence. Pocket Plus is here to make life easier. Designed specifically for individuals experiencing vision impairment, Pocket Plus is not a phone as you know it; it's a cutting-edge, all-in-one assistive device that empowers you to live life boldly in the face of sight loss.

RealSAM Pocket

RealSAM Pocket, powered by the premium Samsung xCover5 handset, is a user-friendly mobile phone a collaborative creation between RealThing Ai, RNIB, and O2 Virgin Media.

RealSAM Pocket offers an array of fantastic features without the hassle of dealing with complex settings. With RealSAM Pocket, it's as simple as 'tap and talk'. Just ask your RealSAM Pocket to call your loved ones, send messages, read your favourite book, or access the latest headlines. Easy and intuitive, just the way it should be!

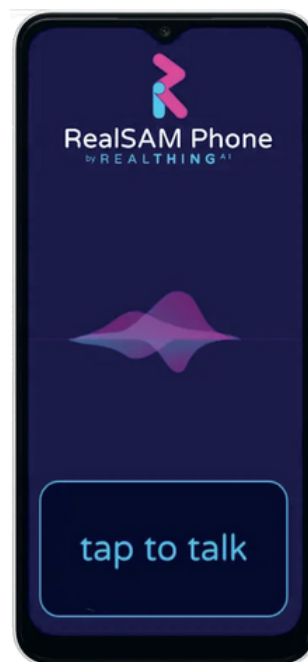

We recommend RealSAM Pocket to people who want a high quality handset with a wide range of features.

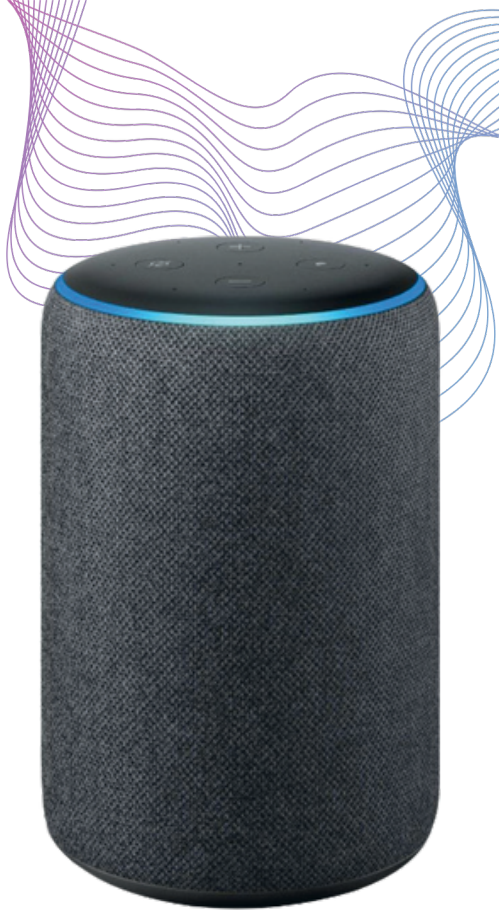

RealSAM Phone

Using the Samsung A16 handset, RealSAM Phone is a user-friendly mobile phone, commonly chosen by seniors and individuals who are visually impaired or have a low confidence with technology.

With RealSAM Phone, you can effortlessly maintain contact with friends, family, and support networks, all without the hassle of navigating a complex device.

RealSAM Phone offers the same calling and assistance functionality of RealSAM Pocket, but does not include any entertainment features. We recommend RealSAM Phone to people who want an affordable and simple mobile phone.

RealSAM BookClub

Unlimited Audio. One Simple Subscription.

RealSAM BookClub is a monthly or annual subscription service offering blind and partially sighted people across the UK unlimited access to a world of accessible audio books, news and discussion. Available on RealSAM Pocket, Alexa-enabled smart speakers, and the Alexa app, RealSAM BookClub provides you easy access to over 50,000 accessible titles.

Who Is RealSAM BookClub For?

Over 2 million people in the UK live with sight loss. Many of them are lifelong readers, passionate about stories, but face barriers to accessing books in traditional formats.

Whether you're a lifelong book lover, someone looking to stay mentally active, or simply enjoy a good story, RealSAM BookClub offers entertainment, stimulation and a sense of connection.

Join the Community

Join our online BookClub community to access our curated monthly picks and engaging discussion prompts, and connect with other blind and partially sighted readers to share your reflections.
